

Job Description for Social Worker

The Organization, established in 2009, is a Public Charitable Trust that works towards creating an equitable society to enhance quality of life for all through the empowerment of marginalized and underprivileged communities in India. The Organization works for the Health and Wellbeing of remote and under-served groups, with an additional focus on children, persons with disabilities and women. Organization also works for holistic Education and Livelihood development of our communities. Our Two-Fold Strategy involves identifying and working within Aspirational Districts and high poverty index in the North, North-East and East regions within specific states, as well as catering to lower-income and migratory populations in cities, through urban programs.

Over its 15 years of existence, The Organization has reached more than 35 million beneficiaries through its programs. The Organization works with communities through direct implementation of projects on the ground in addition to providing local management and monitoring support to not-for-profit organisations in India funded through Organizations.

Background of the Project

Project: Mobile Community Outreach Rehabilitation for Persons with Disabilities”

The early the better” believing in this approach, The Organization has been supporting a number of projects to facilitate the early years of development. It provides supportive services to children and adult with disabilities who more often lack access to the comprehensive and intensified services in those magical years of development and also needed across the lifespan. This approach dramatically improves individual’s chances to reach their full potential and functioning, have better quality of life and take up their right place in the society as adults. The Organization is creating more such facilities and services in the country to reach the last mile of targeted community while aiming to achieve the goal ***“Persons with disabilities are socially included and living a valued & productive life”***.

This project would be operated through mobile bus/van for early intervention, healthcare and rehabilitation, multidisciplinary interventions which is part of our broader effort to improve the lives of all children and adults with disabilities and to support reforms in the social system. The project will facilitate PWDs in accessing the disability certificate, Govt schemes, assistive aids and appliances and others benefits provided by the government.
