#### **1. Medication Dispensing:**

- Accurately dispense prescribed medications to patients.
- Ensure proper labeling and dosage instructions.

#### **2. Patient Counseling:**

- Provide medication counseling to patients, including potential side effects and proper usage.
- Educate patients on the importance of medication adherence.

#### **3. Inventory Management:**

- Maintain and manage the inventory of medications and supplies.
- Ensure timely reordering and restocking of pharmaceuticals.

#### **4. Community Health Drives:**

- Participate in and support community health drives organized by the mobile medical van team.
- Assist in health education and promotion activities during these drives.

#### **5. Team Collaboration:**

- Work closely with doctors, nurses, and other healthcare professionals to deliver integrated patient care.
- Assist team members in various healthcare activities as needed.

#### **6. Compliance and Documentation:**

- Ensure compliance with regulatory requirements and health standards.
- Maintain accurate records of dispensed medications and patient interactions.

### **Qualifications:**

- Bachelor's degree in Pharmacy (B.Pharm) or equivalent.
- Valid pharmacist license.
- Strong knowledge of pharmaceuticals and their usage.
- Excellent communication and patient counseling skills.

### **Key Competencies:**

- **Attention to Detail:** Ensuring accuracy in dispensing and documentation.
- **Compassion:** Providing empathetic care to rural patients.
- **Teamwork:** Collaborating effectively with other healthcare providers.
- **Organizational Skills:** Managing inventory and maintaining proper records.

**KYC (Know Your Community):**

- Actively participate in understanding the specific health needs of the rural communities served.
- Engage with community members to build trust and encourage the use of mobile medical van services.
- Support other team members in community outreach and education initiatives.

**Experience:**

- At least 1 year experience in development sector

Remuneration : Rs.22,000/- pm
